

Child Safeguarding Declaration

At Advanced Learning Schools (ALS), we are deeply committed to the safeguarding and welfare of all children in our care. We strive to create a safe and positive environment where students feel secure and supported. Our Child Protection Policy is in place to ensure the safety and well-being of every child on our campus.

All visitors to the Campus are bound by our child safeguarding protocols. If you observe any behavior or situation that causes concern regarding the welfare of a student, you must report it immediately to one of the designated safeguarding staff members: the Superintendent, the Principal, or a school counselor.

In line with our safeguarding policy:

- It is **strictly forbidden** for visitors to take photographs or videos of children, staff members, or school facilities.
- **Visitors must not be in a one-on-one situation with a student** at any time.
- Visitors are required to **use only designated adult bathrooms** on campus.

Your cooperation in respecting the privacy and safety of our community is essential. Thank you for your attention to these important matters and for helping us maintain a secure environment for all students.
